MEMORANDUM FOR THE HONORABLE JOHN N. MCMAHON
DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Response to Some Questions Raised at SIG-I Meeting
on National Intelligence Topics

REFERENCE: Your Note of October 1, 1982, subject as above

Thank you for your timely and helpful response to the questions I raised at the SIG-I meeting. The paper on the SAMA role in the transfer of Western European funds to the United States was especially useful, and I have called it to Secretary Regan's attention. The papers on the outlook for the oil and gas market and Nigeria's oil sales policy were also particularly interesting.

Again thanks for your responses and the work of your staff in pulling them together. I look forward to our continued cooperation and Doug Mulholland will be arranging appropriate meetings with Bob Gates and others to address capabilities questions.
